**JR. HIGH AFTER SCHOOL ACTIVITIES PROGRAM**

St. Joan of Arc School is again offering Junior High After School Activities. This program consists of two hours (2:15 p.m. to 4:15 p.m.) of adult supervision. If additional hours are need on any day/s, students may join the Extended Day Program. The program takes place on Monday, Tuesday, Wednesday, Thursday, and Friday following every regular day of school, **excluding** half days and holidays.

The JHASA (Junior High After School Activities) Program has an hourly fee of \$5.00. It is run by our Jr. High Staff members.

- The first hour, students will work on homework projects, using the technology lab, games, etc.
- The second hour is Open Gym activities.
- For the third hour, if you use the Extended Day Program any day from 4:15-5:15, please pay that portion to Extended Day @ \$5.00 per hour.
- **Payment is due the day services are rendered.**

The program is designed to be loose and free flowing so as to be a comfortable transition from the more structured school day. However, students may not leave the campus. They also must participate in the first hour to be a part of the second hour’s activity.

This program is especially useful if your child has an after school activity, because children may not remain on the campus unattended. Special fees will be required for certain activities, i.e., Bowling, etc.

A signed permission form stating that your child is a participant in the JHASA program must be on hand in the school office. In case of emergency, we will use the school emergency form so please be sure to update when necessary, and to include any telephone numbers where you can be reached during the after school hours.

A cheerful reminder from our JHASA staff, “Please be prompt in picking up your child. JHASA ends at 4:20 p.m. We all have personal commitments of our own which we cannot attend to until your child is safely in your care.”
