

SJA Label Programs

Help our school raise money and points for supplies and equipment. SJA is now participating in three label programs:

Campbell's Labels for Education

www.labelsforeducation.com

Box Tops for Education

www.boxtops4education.com

NEW NEW!! Tyson Project A+ Program

www.tyson.com/projectaplus

Click on the links above to see exactly what products and portion of the labels you need to save.

Where to drop off labels / UPCs: Campbell's UPCs and Tyson Tear-tops should be deposited in the Campbell's barrel outside the main office or the Church Link. Box Tops for Education have their own container outside the main office. Use the Campbell's barrel in the link if dropping them off at church.

Questions??

If you have any questions or would like to help clip, sort or count we would welcome any help. Please contact Sharon Woods at
